

**Thank You for all players who tried out, if you did not make a team there are AYSA teams that are forming that will allow you to keep playing this fall. If you did not make a team and want a written evaluation one can be provided, if interested e-mail Nick Bremer and one will be given. Phone calls will not be accepted and e-mails looking for evaluations will be responded to in the order they are received, this process does take time as it is the start of the season and I work full time.**
