

## U18 Boys TCSL Team-

Due to the numbers of players and level of skill at tryout ESS has decided to roster the maximum 26 players at this age group. TCSL, MYSA and the majority of sanctioned tournaments will limit the amount of players on the active roster to 18. By rostering above 18 it will allow for more players to play in league play and ensure a full roster at all league games and tournaments. Rosters for each game will be communicated through the team coach and/or the director of coaching.

To ensure that each player gets adequate playing time during the season this team will be participating in an additional two tournaments this year to give every member the opportunity to play.

Your tournament expectations should be that if your son is able to attend the tournament and is on the roster he will get approximately 50% of playing time during the tournament.

There will be no guaranteed playing time or guaranteed roster spots for TCSL games.
